Dear AOPA Member,

Thank you for inquiring about AOPA Insurance. Enclosed you'll find the information you requested for the following insurance plan: Group Level Term Life.

Before you take a look at the information I've enclosed, let me mention some of the important benefits you receive with all our insurance plans.

- No general aviation exclusions – This plan does not have any exclusions for general aviation, unlike some life insurance plans that exclude the payment of benefits if your death is caused by piloting or flying in any aircraft.
- Plans through AOPA Insurance are group plans, negotiated especially for AOPA Members. Rate changes, although not scheduled, can only be made on a group basis.
- Once we receive your application and you're approved for coverage by the insurer, we'll mail your Certificate to you. You'll then have a full 30 days to review all the benefits in more detail. If you decide this AOPA Insurance Plan is for you, just send in your payment.

Please read the enclosed brochure for more information, including eligibility, renewability, costs, exclusions, limitations and terms of coverage on this plan. Once you determine the amount of personal insurance coverage you need, simply complete and return the application in the postage-paid envelope provided. If no coverage is selected on the enclosed application, you will be issued the lowest benefit amount you are eligible for. If you have any questions along the way, just pick up the phone and call us. Our toll-free number is: 844.304.AOPA (2672).

Group Level Term Life Insurance underwritten by Metropolitan Life Insurance Company New York, NY 10166. A complete description of benefits, limitations, exclusions and termination of coverage will be provided in the certificate of coverage. All coverage is subject to the terms of the group policy. If there is any discrepancy between this document and the group policy documents, the policy documents will govern.

Sincerely,

AOPA Group Level Term Life Insurance Plan

Summary of Benefit Information

The AOPA Level Term Life advantage:

Your rates and benefit amount can stay the same for 10 or 20 years. Unlike many standard term plans, your benefit and premiums are designed to remain level during your coverage period. That helps make budgeting easy!

AOPA Members qualify for coverage

As a member of AOPA, you're eligible to apply (and your spouse is, too) for this plan based on the age criteria below:

Age	Plan
Under age 66	10-year Plan
Under age 56	20-year Plan

Benefit Amounts up to \$1,000,000:

You can apply for up to \$1,000,000 in level life coverage. Benefit levels start at \$50,000 for 10 Year Level and \$200,000 for 20 Year Level in increments of \$5,000.

Your spouse can apply for the Level Term Life Plan, too.

Today, many families rely on two incomes. That's why your spouse can also apply for the AOPA Level Term Life Plan's benefits. (You may not find this with some plans.) Your spouse can apply for coverage if he or she meets the age eligibility and is not legally divorced or separated from you.

You won't have to worry about general aviation exclusions.

No general aviation exclusions - This plan does not have any general aviation exclusions, unlike some life insurance plans that exclude general aviation-related activities.

You can collect up to 80% of your benefits if you're Terminally Ill¹.

If your doctor diagnoses you with a life expectancy of 12 months or less, you can collect up to 80% (to a maximum of \$500,000) of your life insurance benefits before you die — to use however you wish. Receipt of the accelerated benefit may be taxable, or may adversely affect your eligibility for Medicaid or other government benefits. The amount of insurance payable after death will be reduced by this payment. (Premium contributions will not be reduced.) You should consult your personal tax advisor to assess the impact of this benefit.

IMPORTANT NOTES:

For the 20-year option, the maximum age to apply is 55.

For the 10-year option, the maximum age to apply is 65.

The benefits and rates for this group policy are designed to remain level through the indicated term.

EFFECTIVE DATE: Your AOPA Level Term Life Insurance Plan will become effective on the first day of the month after your application has been approved by the insurer and your first premium is received.

BENEFICIARY: Your spouse will automatically be the beneficiary for the Level Term Life Insurance Plan. If your spouse is no longer living, your benefits will be paid to your children, parents, brothers and sisters, or estate (in that order). You will automatically be the beneficiary for your spouse's coverage. If you want to designate a different beneficiary, please contact the plan administrator.

TERMINATION: Your AOPA Level Term Life Insurance Plan will continue as long as you remain a member in good standing, pay your premiums when due, your term of coverage has not expired, and the Group Policy stays in force. Your spouse can keep his or her coverage for as long as their premiums are paid on time, their term of coverage has not expired, the group policy stays in force, and they are not legally separated or divorced from you.

When the term ends, a member may elect to re-enroll into another 10-year term or 20-year term if age eligible, cancel coverage, or continue the existing life insurance amount by paying the Ultimate rates. This continuation will not require medical underwriting, however coverage will terminate at age 80.

Coverage reduces by 50% at age 70 and 75% at age 75. Benefits will not reduce during a level term period.

If no coverage is selected on the enclosed application, you will be issued the lowest benefit amount you are eligible for.

1. The ABO benefits are intended to qualify for favorable federal tax treatment, in which case the benefits will not be subject to federal taxation. This information was written as a supplement to the marketing of life insurance products. Tax laws relating to accelerated benefits are complex and limitations may apply. You are advised to consult with and rely on an independent tax advisor about your own particular circumstances. Receipt of ABO benefits may affect your eligibility, or that of your spouse or your family, for public assistance programs such as medical assistance (Medicaid), Temporary Assistance to Needy Families (TANF), Supplementary Social Security Income (SSI) and drug assistance programs. You are advised to consult with social service agencies concerning the effect that receipt of ABO benefits will have on public assistance eligibility for you, your spouse or your family.
2. Will Preparation and MetLife Estate Resolution Services are offered by MetLife Legal Plans, Inc., Cleveland, Ohio. In certain states, legal services benefits are provided through insurance coverage underwritten by Metropolitan General Insurance Company, Warwick, RI. For New York situated cases, the Will Preparation service is an expanded offering that includes office consultations and telephone advice for certain other legal matters beyond Will Preparation. Tax Planning and preparation of Living Trusts are not covered by the Will Preparation Service. Certain services are not covered by Estate Resolution Services, including matters in which there is a conflict of interest between the executor and any beneficiary or heir and the estate; any disputes with the group policyholder, MetLife and/or any of its affiliates; any disputes involving statutory benefits; will contests or litigation outside probate court; appeals; court costs, filing fees, recording fees, transcripts, witness fees, expenses to a third party, judgments or fines; and frivolous or unethical matters.
3. Grief Counseling and Funeral Planning Assistance are provided through an agreement with with TELUS Health. TELUS Health is not an affiliate of MetLife, and the services TELUS Health provides are separate and apart from the insurance provided by MetLife. TELUS Health has a nationwide network of over 30,000 counselors. Counselors have master's or doctoral degrees and are licensed professionals. The Grief Counseling program does not provide support for issues such as: domestic issues, parenting issues, or marital/relationship issues (other than a finalized divorce). This program is available to insureds, their dependents and beneficiaries who have received a serious medical diagnosis or suffered a loss. Events that may result in a loss are not covered under this program unless and until such loss has occurred.

Male rates apply to all coverage issued to Montana residents, regardless of a person's gender.

The initial premium will not change during a level term rate period, unless the insurance company exercises its right to change premium rates for all insureds covered under the group policy with 60 days advance written notice. At the end of the level term rate period, your benefit amount will remain the same, but the cost of insurance will increase annually. After the level term rate period, coverage reduces by 50% at age 70 and 75% at age 75, and terminates at age 80.

The classes of rates are "Preferred" "Select" and "Standard". Only non-tobacco users may qualify for the "Preferred" and "Select" rates. (Note: Tobacco users may only qualify for the "Standard" rates. A tobacco user is anyone who has smoked cigarettes, pipes or cigars or used tobacco in any form in the past 24 months.)

Male rates apply to all coverage issued to Montana residents, regardless of a person's gender.

The initial premium will not change during a level term rate period, unless the insurance company exercises its right to change premium rates for all insureds covered under the group policy with 60 days advance written notice. At the end of the level term rate period, your benefit amount will remain the same, but the cost of insurance will increase annually. After the level term rate period, coverage reduces by 50% at age 70 and 75% at age 75, and terminates at age 80.

The classes of rates are "Preferred" "Select" and "Standard". Only non-tobacco users may qualify for the "Preferred" and "Select" rates. (Note: Tobacco users may only qualify for the "Standard" rates. A tobacco user is anyone who has smoked cigarettes, pipes or cigars or used tobacco in any form in the past 24 months.)
